**DECLARATION UNDER 37 CFR 1.132**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

I, Josée Beaulieu, solemnly affirm the following:

1. I have been researcher at Technologies Biolactis Inc. since 2002 and I was involved in the R&D program at Technologies Biolactis Inc. ever since.
2. I am familiar with the field of U.S. Patent Application Serial No. 10/537,118 and U.S. Patent Application Publication No. 2006/0057131.
3. In both applications, a common inventor is named: Éric Simard.
7. Both applications stand in the name of Technologies Biolactis Inc. and as such, in light of the above, .S. Patent Application Publication No. 2006/0057131 is not a patent application made by others and thus should not be used as prior art under 35 USC § 102(e).

Serial No.: 10/537,118

7. I further declare that all statements made herein of my own knowledge are true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both and that such statements may jeopardize the validity of the application of any patent issued thereon.

And I have signed
